

FAB Bar

At Ferry Ales Brewery (FAB) we are passionate about our real ales and lagers which are brewed here in Fiskerton, Lincoln. All our bars will have a selection of our real ales on handpull as well as draught lager and cider. The bar will also be stocked with a selection of wines and prosecco, along with a wide choice of spirits, mixers and soft drinks. We are happy to meet and discuss any special requests you may have and organise a tasting if you wish to choose which beers from our range we put on the bar.

We can tailor the bar to your requirements, for example we can organise a pre-paid bar, pre-paid on certain drinks, a drinks token system or any other option that may work for you. Drinks prices are at our current rate. However, these are reviewed in January each year. Any booking prior to January will be honoured at the current rates at time of booking. We will organise the relevant licensing.

For safety reasons we use high quality re-usable plastic glasses as standard but if required we can use glass (this will attract a hire charge, price to be discussed).
